

# **ADINA** **REFRIGERATED VEHICLES**

**Customised Bodybuilding for Refrigerated  
Vehicles in the UK and Ireland**

Quinn Refrigerated Vehicles has grown steadily to become one of the leading manufacturers of temperature controlled vehicle bodies in the UK and Ireland. We offer a full range of standard and purpose built solutions which includes the following:

## Rigid Body Work

We cater for vehicles of all sizes from 3.1meter chilled units to 13.6 meter semi truck bodies.

## Multi Temperature Vehicles

Our use of folding partitions allows for a wide range of options in providing individual multi-temperature bodies within the same vehicle.

## Specialist Bodywork

Our focus on customised solutions means that we cater for the unique requirements of each client. Steps, hoists, doors, meat rails, multiple compartments, lighting, etc – tell us what your requirements are and we will incorporate it into your vehicle design.

## Trailers

Our partnership with Lamberet allows Quinn to offer a full range of vehicles of all sizes from light/medium sized units to semi-trailers.

## Dry Freight Vehicles

At Quinn we also produce a variety of standard and custom built dry freight vehicles

## Tail Lifts and Fridge Motors

We offer a complete range of tail lifts from leading suppliers such as Dhollandia, Zepro, Ross & Bonnyman and Anteo. We also fit fridge motors from Thermo King, Carrier, Frogoblock, Kerstner, and Coldchain.

## Repairs and Refurbishment

We have the expertise and facilities to carry out a full range of work to meet customer's needs. Some of our capabilities include: Remounts, Panel replacement, Tail lift re-alignment, New door seals, Chassis and sub frame repairs / replacement, Interior re-configuration and Repaints.

## Our Manufacturing Expertise

Attention to detail and sourcing of the highest quality components are the hallmarks of our company. Our high quality vehicles include Furgocar door furniture, Vetroresina GRP laminate and Dow insulation and come ready-fitted with stainless steel front and back frames, interior and exterior protective rub-rails, ladder and slim line catwalk and removable stainless steel crash guards. Great emphasis is placed on maintaining an individual service to all customers, whether small or large.

## About Us

Quinn Refrigerated Vehicles are one of the leading manufacturers of temperature controlled refrigerated and dry goods vehicles in Ireland and the UK. We offer a full range of standard and purpose built solutions while at all times emphasising a top class service for all of customers. From our 60,000 sq. ft. head office in Galway, Ireland and our London sales office Quinn can boast some of the largest food companies in the UK and Ireland such as Tesco, BWG Foods and Kerry Group among its customers.
